Hill Side Cemetery

Hawkesbury, Prescott co, ON

Hill Side cemetery is located on the south side of Front Rd in West Hawkesbury twp, about 1 mile East of the town of Hawkesbury, ON. It is situated on a hill, back from the road and overlooking the Ottawa river.

Dedication

This book is dedicated to the Pioneers who established the cemetery, each of whom provided work to have the cemetery created for their descendants and others who followed in their footsteps.

The 1st known burials were in 1810 for Mary Ann Hayes, and in 1811 for James Waddell. This was just after the "Hawkesbury Mills" were founded by William, Robert and George Hamilton in 1808, which was during the Napoleonic wars. These Hamiltons came from Meath near Dublin Ireland. Hawkesbury was named after Lord Hawkesbury, minister of war, and later to be named Prime Minister of England. (The items of the history of the area was researched from Historical Notes and Memories, a talk given by Miss Maria A. Higginson and Mrs James T. Brock, printed in 1961.)

The land was originally owned by Mr. Charles Hersey who granted the land in Oct. 1847 to be used as a common burial ground and place of interment for the people of Ottawa District. In Oct. 1897 it was further transferred to a board of trustees, consisting of James Gordon Higginson, Robert Ross, Robert Montgomery, Josiah Waddell, John McCusker, Wray Wilson, Charles E. Byers, John Byers, Robert Craig, Fred Waddell, William McCusker, Samuel Dandy, James Watson, Thomas Ross, John McGibbon and Henry Stephens.

Another piece of land was purchased from Jean Menard and his wife Lucille in Oct 1948, likely the np east of the roadway.

We also know that the land for the extension at the rear, was previously owned by the Stevens family and deeded in Nov. 1969 to the Trustees of the Hill Side Cemetery, by Samuel D Stevens with his wife Elizabeth, and by George C Stevens with his wife Leona.

Many of the previous records for those buried in the Old Part of the cemetery, were lost. Therefore only those with tombstones in that part have been recorded herein. The records for the other parts have been taken from existing Cemetery records and Funeral Home records.

It is our hope that the information herein will provide a source of help for genealogical purposes.

Burial records as of 26 Nov. 2005 and revised in Jan 2006. The information was 1st researched in 1996 from the records of the administration cardex files, held by the Superintendent Mr. Walter C. Price. They show dates under the Information heading, as the Date of Burial, unless indicated otherwise. These dates are known, in some cases to be the date of death and **not the date of burial**. Records were updated in 2001 and have been updated in 2005 to include inscriptions on tombstones and records of D.A McRae and son Funeral Home, and the Forbes Funeral Home.
